Notes for Canton of Tanwayour Business Meeting on 2-22-01

Opened: 7:23 pm

Closed 8:09 pm

Received correspondence from Baronial Exchequer, Lady Richenda Coffin, apologizing for tardiness of payments along with payment for service hours of last four Potrero Wars. Amount was \$1821.90. The whole Barony received \$3200, so the Canton received two thirds, which was the largest amount to go to any group. The group decided the amount was acceptable with no opposition.

Upcoming events:

Collegium, March 3-4 in Lancaster;

War Planning meeting March 11 at 3 pm at Allied Gardens;

Calafia-Gyldenholt Friendship tourney March 31 at Carbon Canyon Park

All Canton officers were reminded that they must be members of the SCA and must subscribe to the Serpent's Tongue.

The Doomsday report for the Canton was completed on time.

Funds are being collected by Baron Thorvald and Baroness Eloise for Randy, whose tent was burned at Great Western and was injured in the fire. \$437 has been collected. There is also a condolence for the family of the couple who died due to asphyxiation.

Old business: The banner project is still up in the air, to be worked on by Lady Maggie and Lady Danielle.

Reports: Marshal's Report: No fighters were injured at Estrella, Calafian fighters made up most of Iron Brigade; Arts & Sciences: Last lesson had bad showing, next meeting in April will be watching In Service to the Dream with potluck munchies.

New business: Talanque Tourney: The Event Steward, Moira has found possible site park by Baron's house which Talanque seems to support, so he can go home and rest if need be, has stone tables for kid's activities, easy transport for Master Robert from shed, lots of room for pavilions, most likely enough size for 4 erics, as well as a hill for a possible King of the Hill battle
