

# Tanwayour Canton Meeting

Sunday 7 September 2008, Allied Gardens, 12.30p

Present: Maggie, Justin, Siobhan, Ellyn, Ray, Eblenn, Melinda

## OLD BUSINESS

Justin still needs to follow up about getting the rattan swords, etc., for Anniversary gifts.

CA Pointy Hat luncheon:

Justin is taking point on the meal planning. Note: No beans for OLIVER!

ALSO: must research Sven's dietary restrictions, they are many and diverse!!

Eblenn will talk to the Twins about cooking for him.

The park where we had TA for so many years still hasn't even broken ground yet, but we agree we will stay @ the church/park in CV that we used this year. Brekleg said we should set up the event in the church, and let the fighters stay out in the park; if it is less than 50 people, we don't even need a Special Event permit. We can call it a demo. =]

## NEW BUSINESS

Stepping Up & Down gifts, cont.:

Suggested we have an in-house scriptorium @ Lady A's and make a bunch of promissory notes with kumihimo cords for KATE & OLIVER to give out during their reign! Combine that with the Canton meeting on 5 October, the Sunday after Leif Erickson.

Siobhan will confirm with Lady A and report back soonest.

Mailbox fee coming due, approved to pay.

Rumor has it that the Brigade Practice is going to switch to the 2<sup>nd</sup> or 3<sup>rd</sup> Sunday, and it was agreed that the Canton meeting would follow. Eblenn will let us know.

Brekleg asked the CA autocrats for eric space for the Dragonwing, like where we did last year. He will follow up.
