

Canton of Tanywayour

Meeting Minutes for 5 April 2009

Attending: Lady Ebhlenn Zingen Meic an Uciare, THL Maggie MacDonald, Lord Ketill raudskeggr, Melinda Gilley, Lady Ellyn of Tanwayour. Lord Justin Brekleg arrived at 12:45.

Minutes recorded and transcribed by Lord Ketill raudskeggr.
The meeting was called to order at 12:40 pm.

Old Business:

Leodamus of Thebes Tournament. We are not going to be bidding on this event because there is no member willing to serve as Autocrat.

Tanwayour Anniversary: We have successfully reserved Sweetwater Park and their kitchen. THL Maggie looked it over, and says it looks fine. There was concern that there had been some extensive digging. This time around we get all the parking. Park rental cost the Canton \$250.

Arts & Science Officer's Report

Master Thorvald has lost all his stuff due to his computer crashing.

Lady Ellyn has recently learned what constitutes Arts & Sciences activities and will be able to make the Canton look much more active than in the past. She will be revising her report to mention the numerous times members of the Canton participate in Lady Gemma's many activities as well as calligraphy classes, and the many other things that people do.

Exchequer's Report

We have money. Statements for March have been received that will enable Lord Justin to begin the quarterly report. The previously reported problem with balancing the Canton's finances using the SCA-required software has been determined to be a glitch in the software.

We still have a mailbox, and will have one at least until October.

If no one else wishes to serve as Canton Exchequer, Lord Justin will need to renew his warrant.

New Business

The website is out of date. Dragon and Kol will be consulted to see about getting the site updated.

There being no further business the meeting was adjourned at 1:03pm.
