

March 7, 2010

4 officers present.

Potrero County park has been acquired for Tanwayour Anniversary. We will have the Archery Range/Youth Activity area from 3pm Friday the 24th until "noonish" Sunday the 27th. This will enable TWO NIGHTS of camping.

There were plans made for an informal pot luck on Friday night.

There were discussions of whether or not to rent a port-a-potty, we will check with those close to the site to see if the permanent port-a-potty purchased by the barony is installed at the archery range (or elsewhere).

At the last check there were also several RV sites also available for rental that weekend.

The feast for Anniversary would be done by teams of cooks, but we need to figure out the logistics of it.

There was also discussion of an informal Saturday afternoon class at Ellyn's on easy marmalade making (using donated fruits).

April will be the nominations and polling for officers.

Justin will be stepping down, Maggie has offered to cover that position since she has had the collegium class.

We also need a herald.

With regards,
Maggie MacD.
