

9/9/12 Tanwayour canton meeting  
look up 'sales guy vs web dude' - per Mongo

Lise - A&S  
Ketill - Seneschal  
Maggie - Exchequer  
Michael - Herald  
Laurence - Deputy Herald  
Jason (Mongo) - Chiurgeon  
Roderick - member - would like to take on Chatelaine (currently Baronial deputy)  
Ellyn - Chronicler

Ketill's remarks: Quarterly report is filed.  
Serpents' tongue - editor was sent the updated information. Our information is sparse and incorrect. Last edition was August and it had Eblenn as seneschal  
Does not apply to all - needs expiration dates of warrants (has Ketill's and Jason's)

A&S - Looking for contact info to do the A&S jam session. Ellyn will email Agnes and Medb to introduce them for scheduling. Scheduled to be teaching a class in beaded Viking wire weaving at Leif Erickson - can we have it under the aegis of the canton? Vote is a resounding YES.

Chiugion - no one got hut

Chronicler - notes were posted and no one contested so they're accepted

Exchequer - we have \$3308 - yay! Still needs to get reimbursed for site

Herald - nothing to report - needs the tabard. Never received it. Eblenn may have it - Ellyn says we need to replace that and the banner

Webright - we have an awesome web site.

Old Business - Site for next year: we want area 2 and the kitchen, Ellyn will rent a campsite so we get the kitchen. Maggie and I will rent a spot for Friday and Saturday. \$365 total - includes the kitchen, day use area, plus one campsite. Everyone agrees it's ok to allocate funds.

New Banner - Ellyn has the silk - we need to speak with Seran to see if we can get a workshop together with Agnes and Roderick wants to attend as well

Autocrat - we're over a year out so we can probably shelve that for now

Ellyn neglected again to bring the leftover site tokens, so it's good that she's loved by the rest of the group.

Next meeting - GWW is the first Sunday so October 14 same time same place for Oct. meeting

New Business - Roderick volunteers to be Canton Chatelain - Roderick Usher of House Usher. [roderick@houseusher.org](mailto:roderick@houseusher.org) - Ketill will take care of warranting him.

Meeting adjourned at 12:41
