Presentations to new B&B - will be tough, so maybe we can do it sometime during the day like at lunch. Agnes has necklaces to present, what about travel fund? Let's give \$150 to TRM and TE's for travel fund. Royals will be at Winter Arts, Guy and Muirrenn also.

Ropes to Ketill after anniversary.

New business:

Winter Arts: Robyn and Agnes discussed if wanted to do anything different. Robyn wants to find out what people are interested in so she sent out a survey. Want to do a demo table for glass bead work. Agnes spoke with Eugenia about doing an A&S YouTube spots for teaching how to do stuff. Wants to have one ready for winter arts to show on her iPad. Ketill has asked for space for his Lucet stuff. Ellyn will show her hats. We should ask for a full table for Tanwayour. Agnes to post what she gets to the Tanwayour facebook page

Ellyn cannot be chronicler - she'll be the Scribe!!! Agnes moves to make her scribe Robyne seconds. Vote is unanimous. Go scribe!

Our next Anniverary is September 20th, 2014. Make reservations for next year. Eblenn as exchequer will make the reservations on line. Get the grass and the rotunda. If we have a Calafian King there could be royal presence, and we have to be certain of getting the grass.

There are plans afoot to replace the ropes for the Dragonwing. Can Ketill spend up to \$100 for the new rope? Will get fake sinew to whip the ropes because he's a rope geek. Will get sisal ropes, splice the ends and wrap them in sinew. Will see about getting metal rings to go on the stake end like Duke Patrick has done. Elbenn has lots of scrap wood to make the rope blocks for free. Make half inch holes to fit 3/8" rope.

Make the meeting a public event on Facebook so it'll hit all our calendars and we can invite others if they're not on the list already.

Meeting adjourned at 10:58
